

INTERFAITH OF THE WOODLANDS
Veggie Village
 The Woodlands Community Donation Garden

Help us build a Veggie Village!

It will be a special place for everyone.
 Some people will make plans and spread the word.
 Some people will tend and harvest the garden.
 Some people will take the produce to the Food Pantry.
 Some people will help children participate.

It will be a garden built for sharing.

To make this dream come true, we need your help:

-  **Make compost for the garden. Training is available.**
-  **Serve on one of the work teams.**
(gardening, planning, education and fundraising).
-  **Make a tax-deductible financial contribution today!**
(Check to Interfaith of The Woodlands, marked for "Veggie Village.")
